

Emergencies on Board Seminar

Length: 2 ½ - 3 Hours

Cost: \$35 per person or

\$45 for two sharing same materials

This seminar is designed to prepare the prudent skipper for those unfortunate situations involving accidents and emergencies on board. It will provide the skipper with the information to prepare adequately for common emergencies and how to actually deal with them when they occur.

Topics discussed:

- Preventing accidents
- Emergency Calls and Signals
- Crew Overboard
- Running aground
- Fire
- Taking on water
- Getting lost
- Losing power
- Broken Rigging
- Steering Failures
- Towing
- Abandoning ship
- Medical conditions

Each student receives a full color Student Guide and the *Emergencies on Board* Quick Guide—a handy reference to use in responding to emergency situations.
