

Seamanship

Length: 8 Sessions

Cost:

The Seamanship course is a natural first/next step in building a foundation of confidence and competence for safe and enjoyable boating. It extends the knowledge and skills of the boater in handling and maneuvering a vessel, eith sail or power. The course provides a better understanding of how boats behave under various conditions including close quarters and open water operations.

Main topics:

- Collision at sea and how to avoid it
- Anchoring
- Emergencies
- Rules of the road
- Docking and anchoring
- Marlinspike/basic knots, learn a nautical knot each session

Appendices include information about safe operation in Canadian and Mexican waters.
